Please note that for the purposes of this Trading and Withdrawal Authorization, the term “brokerage account” refers to your account with Charles Schwab & Co., Inc. (“Schwab”), a registered broker-dealer.

Section 1. Account Holder’s Authorization of Agent’s Authorities

I authorize Schwab to take such actions as Schwab deems necessary to carry out instructions Schwab receives from me and/or Agent. I further authorize Schwab, in its sole discretion and for whatever reason, to request additional documentation from me prior to executing any transaction requested by my Agent. If I have appointed two or more Agents, both Agents will have identical authorities as indicated in Section 2 of the Trading and Withdrawal Authorization form, and I hereby authorize them to act alone and without the consent of the other Agent or Agents, with respect to the authorities granted. In addition, I hereby authorize Schwab, in its sole discretion, to restrict my Account from further activity in the event the Agents enter conflicting or inconsistent instructions.

I authorize Schwab to mail duplicate copies of account statements and/or trade confirmations to the Agent(s). If the Agent is associated with a securities firm of the Financial Industry Regulatory Authority (“FINRA”), Schwab is authorized to deliver information concerning my Account, including duplicate confirmations and account statements, to such firm upon written request.

For both FTA and LTA, the Agent’s authority will include, without limitation, the authority in the same manner and to the same extent as any Account Holder:

- to give instructions for transactions in securities and financial instruments, including the buying and selling of stocks, bonds, debentures, notes, subscription

warrants, stock purchase warrants, options, mutual fund shares, evidences of indebtedness, and any other securities, instruments or contracts relating to securities; and

- (where necessary to complete any transaction) to transfer, convert, endorse, sell, assign, set over and deliver any assets held in the Account (the “Account Assets”) and to make, execute and deliver any and all written instruments of assignment and transfer.

Notwithstanding the above, Agents cannot transfer securities into or out of the Account Holder’s account to or from another brokerage firm or close the Account Holder’s account.

The Agent under a LTA is not authorized to withdraw or direct the disbursement of Account Assets from the Account. If my Account has a Margin and Short Account feature approved by Schwab, Agent is authorized to trade on margin, to sell short, to borrow securities, to otherwise cause credit to be extended through the Account, and to secure the performance of obligations in the Account with Account Assets. If my Account is authorized for options trading, after an options trading application is completed by the Agent and approved by Schwab, Agent is authorized to place options orders. Whenever this Trading and Withdrawal Authorization is attached to any instrument of assignment or transfer, all persons shall be entitled, without further inquiry or investigation and regardless of the date of such Trading and Withdrawal Authorization, to act in reliance

upon the assumption that the Account Assets named in such instrument were duly and properly transferred, endorsed, sold, assigned, set over and delivered, and that with respect to such Account Assets the authority conferred herein is still in full force and effect.

And, for FTA only, the authority in the same manner and to the same extent as any Account Holder:

- to withdraw or direct the disbursement of money held in the Account in or into the name of any person or entity, including the Account Holder or the Agent.

Notwithstanding the aforementioned, if this Trading and Withdrawal Authorization applies to an IRA, QRP, 403(b)(7) or Keogh account (“Retirement Account”) for which Schwab or its affiliate and/or any successor acts as trustee or custodian, this authorization shall allow the Agent to provide trading instructions to Schwab. However, such instructions shall be limited to purchase, exchange and sell orders in any investment permitted by the terms of the Retirement Account and pursuant to Schwab policy, and other incidental transactions subject to the limitations described herein. And, for FTA on a Retirement Account only, the authority in the same manner and to the same extent as any Account Holder:

- to direct distributions from the Retirement Account and to make any elections in connection therewith (including, without limitation, elections relating to tax withholding).

Section 2. Account Holder’s Terms and Conditions

All orders and transactions will be governed by the terms and conditions of all account agreements as applicable to my Account. Role of Charles Schwab & Co., Inc.

I acknowledge and agree that:

- Schwab will merely effect trades as directed by Agent (LTA and FTA only);
- Schwab will not give legal or tax advice;
- Agent and I are responsible for determining

the nature, potential value and suitability for me of any particular investment strategy, transaction (including futures transactions) or security (including equities and options); I will not rely on Schwab for this purpose and, unless (1) required by applicable law, or (2) a Schwab representative gives advice directly to me or Agent that is clearly identified as a Schwab recommendation for me to enter into a particular transaction

or to buy or sell a particular security, Schwab has no responsibility for any such determination;

- Schwab is not acting as a fiduciary;
- I (and not Schwab) am responsible for investigating and selecting Agent;
- Agent is not affiliated with or controlled or employed by Schwab, and Schwab has not approved, recommended or endorsed Agent;

- Agent, and not Schwab, is solely responsible for determining if Agent is required to be registered as an Investment Advisor with a state agency or the Securities and Exchange Commission (SEC). Registration rules vary by state. I agree that it is Agent's responsibility, and not Schwab's, to check his/her state's applicable rules;
- Unless required by applicable law, Schwab has no duty to review, supervise or monitor any investment decision, trading activity or transaction by Agent in my Account; and
- Schwab reserves the right, in its sole discretion, to no longer honor instructions for Agent and will notify me if it chooses to do so.

In addition, I have investigated the business experience, qualifications and reputation of my Agent and am satisfied with the experience, qualifications and reputation of my Agent.

I understand that Schwab has not provided any advice to me regarding this Trading and Withdrawal Authorization, and if there is anything about this Trading and Withdrawal Authorization that I do not understand, I should consult with my attorney for an explanation.

Indemnification. I hereby ratify and confirm any and all transactions, trades or dealings effected in and for my Schwab account by my Agent, and I agree to indemnify and hold harmless Schwab, its affiliates, and their directors, officers, employees and agents from and against all claims, actions, judgments, settlement amounts, costs and liabilities, including attorneys' fees, arising out of or relating to:

- their reliance on this Trading and Withdrawal Authorization;

- Schwab's execution of Agent's instructions; and
- Schwab's execution of disbursement instructions received from Agent (FTA and Authorized Check User only).

Furthermore, I agree to indemnify and hold Schwab harmless from, and to pay Schwab promptly upon demand for, any and all losses or financial obligations which may arise from the acts or omissions of the Agent with respect to my Account. I also agree that since Schwab will not review, supervise or monitor trading by the Agent in my Account, Schwab will not be liable and I will not attempt to hold Schwab liable for any trade or decision made by the Agent whom I have selected, regardless of whether or not any such trade or decision was specifically authorized by me.

Termination of Authority. This Trading and Withdrawal Authorization and indemnification will remain in effect until Schwab is notified in writing of my death, mental disability, incompetence or incapacity; until I have revoked it by written notification; or until my Agent has resigned by written notification and such notification is received by Schwab. Such revocation will not affect my obligations resulting from transactions initiated prior to Schwab's receipt of notice of revocation.

Transfer Agent (LTA and FTA only). To induce any transfer agent or other third party to act hereunder, I hereby agree that any transfer agent or other third party receiving a duly executed copy or facsimile of this Trading and Withdrawal Authorization may act upon it, and that revocation or termination hereof shall be

ineffective as to such transfer agent or other third party unless and until actual notice or knowledge of such revocation or termination shall have been received by such transfer agent or other third party, and I, for myself and for my heirs, executors, legal representatives and assigns, hereby agree to indemnify and hold harmless any such transfer agent or third party from and against any and all claims that may arise against such transfer agent or other third party by reason of such transfer agent or third party having relied on this instrument.

Assignment. This Trading and Withdrawal Authorization supplements and in no way limits or restricts rights which Schwab may have under existing law or any other agreement with me. This Trading and Withdrawal Authorization will bind my heirs, executors, administrators, successors and assigns, and will benefit Schwab's successors, affiliates and assigns.

Governing Law. The laws of the state of California (but not the choice of law doctrines), as applied to agreements signed and performed in California, shall apply and bind the parties in any and all questions arising under this Trading and Withdrawal Authorization, including questions of validity, interpretation and performance, except that the arbitration agreement in Section 4 shall be governed by the Federal Arbitration Act.

Arbitration. I agree to the arbitration provisions in Section 4, which also includes required arbitration disclosures.

Section 3. Agent's Terms and Conditions

The undersigned Agent and Charles Schwab & Co., Inc. ("Schwab") agree that the authority conferred on the Agent by the Trading and Withdrawal Authorization executed by the Account Holder shall be exercised in accordance with the following terms and conditions ("Agreement"):

Authorization to Make Transactions in the Account Holder's Account. Agent may give instructions and take actions with respect to the Account pursuant to the Trading and Withdrawal Authorization. Account Holder may revoke the Trading and Withdrawal Authorization at any time by giving written notice to Schwab. Account Holder will have concurrent full authority at all times to take actions and place orders for the Account. Agent agrees not to take any actions that exceed the authority under the Trading and Withdrawal Authorization or any other agreement between the Agent and the Account Holder.

Role of Charles Schwab & Co., Inc. Unless required by applicable law, Schwab will not make or review trading or investment decisions or offer legal or tax advice and is not in any way responsible for reviewing, supervising or monitoring any investment decision or trading activity in a Account Holder's account. Account Holder and Agent are responsible for determining the nature, potential value and suitability for Account Holder of any particular investment strategy, transaction (including futures transactions) or security (including equities and options); Agent will not rely on Schwab for this purpose and, unless (1) required by applicable law, or (2) a Schwab representative gives advice directly to Agent that is clearly identified as a Schwab recommendation for Agent to enter into a particular transaction or to buy or sell a particular security, Schwab has no responsibility for any such determination.

Trade Confirmations and Account Statements.

Unless the Account Holder directs otherwise, Schwab will not automatically send duplicate trade confirmations and account statements to the Agent.

Agent's Relationship to Schwab. If appointed FTA or LTA, Agent hereby represents that he/she is familiar with and has reviewed the investment goals, guidelines and objectives of the Account Holder and will invest in a way that is consistent with the Account Holder's stated goals and objectives. Such Agent will not represent to Account Holder that Schwab and Agent are affiliated or have any relationship other than that described in this Agreement; that Schwab endorses or recommends the Agent; that Schwab provides any advice other than that described in this Agreement; that Schwab participates in or reviews Agent's trading decisions; or that Schwab manages, supervises or monitors trading in the Account.

Any Agent agrees to immediately notify Schwab of the Account Holder's death or any termination or revocation of the Trading and Withdrawal Authorization and/or modification of the Trading and Withdrawal Authorization; Agent also agrees to notify Schwab of any incapacity, incompetence or mental disability of the Account Holder that would render the Trading and Withdrawal Authorization void.

Compliance with Applicable Law. Agent will comply with all applicable state and federal laws (including the Investment Advisers Act of 1940 and comparable state laws), rules and regulations as they may be amended from time to time, including, without limitation, making such disclosure as may be required by applicable law, rule or regulation.

Agent further agrees that Agent, and not Schwab, is solely responsible for determining if Agent is required to be registered as an Investment Advisor with a state agency or the Securities and Exchange Commission (SEC).

Registration rules vary by state. Agent agrees to check his/her state's applicable rules.

Compliance with FINRA Rules of Fair Practice.

Agent represents and warrants that, unless the Agent has given Schwab written notice to the contrary, Agent is not "associated" with a member of the Financial Industry Regulatory Authority, within the meaning of Article I(Q) of the FINRA bylaws. Agent agrees to give Schwab prompt and written notice if Agent later becomes so associated in accordance with FINRA's Conduct Rule 3050 (formerly Section 28 of the Rules of Fair Practice).

Information. Agent will provide promptly any information reasonably requested by Schwab concerning the management of the Account or compliance with this Agreement. If questions arise concerning compliance with any law, whether federal or state, Agent will take any action believed by Schwab to be necessary to ensure compliance with applicable law. This provision shall not be read to imply that Schwab has any duty to supervise or monitor Agent's management of Account Holder's accounts or compliance with applicable law. Agent represents and warrants that all information Agent provides to Schwab in this Agreement, or otherwise at any time, is true, accurate and complete. If any information Agent furnishes to Schwab becomes materially inaccurate, false, or otherwise misleading, Agent agrees to notify Schwab promptly and take such action as is necessary to revise such information.

Verification. Agent authorizes Schwab to inquire from any source, including a consumer reporting agency, as to Agent's identity (as required by federal law), creditworthiness and

ongoing eligibility for the Account (and that of Account Holder's spouse, if Account Holder lives in a community property state) at account opening, at any time throughout the life of the Account, and thereafter for debt collection or investigative purposes.

Monitoring of Conversations. Agent agrees that Schwab may, but is not obligated to, record telephone calls to monitor the quality of service Agent or Account Holder receives, to verify securities transaction information or for any other valid purpose. Agent acknowledges that Schwab may not be able to locate a tape recording unless Schwab is provided the date and time of the conversation and the full name of the Schwab representative involved in the conversation. Agent agrees that Schwab has the sole right to determine how long tape recordings will be retained.

Sale and Control of Restricted Securities (LTA and FTA only).

Before instructing Schwab to sell securities that are:

- "restricted securities" or securities of an issuer of which Agent or the Account Holder is an "affiliate" (as those terms are defined in Rule 144 under the Securities Act of 1933), or
- securities that are being sold in reliance on Rule 701 or Rule 145 under such Act, or
- securities of which the Account Holder or the Agent and the issuer or its underwriter have entered into an agreement restricting the transferability of such securities,

Agent agrees to tell Schwab the status of such securities and promptly furnish whatever information and documents (opinions of legal counsel, if requested) that Schwab requests in order to comply with its regulatory duties.

Agent agrees not to hold Schwab liable for delays in the sale or settlement of such securities, or the release of proceeds from such sale resulting from the failure of the issuer's counsel to issue in a timely manner or to approve any necessary legal opinion, or any other action or failure to act of any person or entity other than Schwab.

Agent agrees not to tender any such securities as collateral for an obligation the Account Holder owes Schwab, unless Agent first obtains Schwab's prior written consent.

Indemnification. Agent agrees to indemnify and hold harmless Schwab, its affiliates and their directors, officers, employees and agents from and against all claims, actions, judgments, settlement amounts, cost and liabilities, including attorneys' fees, arising out of or relating to:

- any breach by Agent of any provision of this Agreement;
- the performance or non-performance of the Agent's services; and
- any dispute involving Agent and Account Holder.

Entire Agreement. This Agreement contains all of the agreements, representations and understandings made between Agent and Schwab. Schwab may amend the Agreement with advance notice to Agent.

Assignment. Schwab may assign its rights and obligations under this Agreement to any subsidiary, affiliate or successor by merger or consolidation without notice to the Agent, or to any other entity after 30 days' written notice to Agent. Agent may not assign this Agreement without Schwab's prior written consent. This Agreement is binding upon and will inure to the benefit of each party's successors, heirs, legal representative and permitted assigns.

Waivers. The failure of either party at any time to require performance by the other party of any provision of this Agreement will not affect in any way the right to require such performance at any time thereafter. The waiver by either party of a breach of any provision hereof will not be taken or held to be a waiver of the provision itself.

Governing Law. The laws of the state of California (but not the choice of law doctrines), as applied to agreements signed and performed in California, shall apply and bind the parties in any and all questions arising under this Trading and Withdrawal Authorization, including questions of validity, interpretation and performance, except that the arbitration agreement in Section 4 below shall be governed by the Federal Arbitration Act.

Arbitration. Agent agrees to the arbitration provisions in Section 4, which also includes required arbitration disclosures.

Section 4. Account Holder and Agent Agree to Arbitration

Required Arbitration Disclosures. Regulatory authorities require that any brokerage agreement containing a predispute arbitration agreement must disclose that this agreement contains a predispute arbitration clause. This Agreement contains a predispute arbitration clause. By signing an arbitration agreement, the parties agree as follows:

- All parties to this Agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which a claim is filed.
- Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.
- The ability of the parties to obtain documents, witness statements and other discovery is generally more limited in arbitration than in court proceedings.
- The arbitrators do not have to explain the reason(s) for their award unless, in an eligible case, a joint request for an explained decision has been submitted by all parties to the panel at least 20 days prior to the first scheduled hearing date.
- The panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry.
- The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.
- The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this Agreement.

No person shall bring a putative or certified class action to arbitration, nor seek to enforce any predispute arbitration agreement against any person who has initiated in court a putative class action or who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until:

1. the class certification is denied;
2. the class is decertified; or
3. the customer is excluded from the class by the court.

Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this Agreement except to the extent stated herein.

Arbitration Agreement. Any controversy or claim arising out of or relating to (i) this Agreement, any other agreement with Schwab, an instruction or authorization provided to

Schwab or the breach of any such agreements, instructions, or authorizations; (ii) the Account, any other Schwab account or Services; (iii) transactions in the Account or any other Schwab account; (iv) or in any way arising from the relationship with Schwab, its parent, subsidiaries, affiliates, officers, directors, employees, agents or service providers ("Related Third Parties"), including any controversy over the arbitrability of a dispute, will be settled by arbitration.

This arbitration agreement will be binding upon and inure to the benefit of the parties hereto and their respective representatives, attorneys-in fact, heirs, successors, assigns and any other persons having or claiming to have a legal or beneficial interest in the Account, including court-appointed trustees and receivers. This arbitration agreement will also inure to the benefit of third-party service providers that assist Schwab in providing Services ("Third- Party Service Providers") and such Third-Party Service Providers are deemed to be third-party beneficiaries of this arbitration agreement.

The parties agree that this arbitration agreement will apply even if the application to open the Account is denied and will survive the closure of your Account and/or the termination of services rendered under this Agreement.

Such arbitration will be conducted by, and according to the securities arbitration rules and regulations then in effect of, the Financial Industry Regulatory Authority (FINRA) or any national securities exchange that provides a forum for the arbitration of disputes, provided that Schwab is a member of such national securities exchange at the time the arbitration is initiated. Any party may initiate arbitration by filing a written claim with FINRA or such eligible national securities exchange. If arbitration before FINRA or an eligible national securities exchange is unavailable or impossible for any reason, then such arbitration will be conducted by, and according to the rules and regulations then in effect of, the American Arbitration Association (AAA). If arbitration before the AAA is unavailable or impossible for any reason, the parties agree to have a court of competent jurisdiction appoint three (3) arbitrators to resolve any and all disputes or controversies between or among the parties. Each party shall bear its own initial arbitration costs, which are determined by the rules and regulations of the arbitration forum. In the event of financial hardship, the arbitration forum may waive certain costs in accordance with such rules. At the conclusion of the hearing, the arbitrators will decide how to assess the costs of the arbitration among the parties.

Any award the arbitrator makes shall be final and binding, and judgment on it may be

entered in any court having jurisdiction. This arbitration agreement shall be enforced and interpreted exclusively in accordance with applicable federal laws of the United States, including the Federal Arbitration Act. Any costs, fees or taxes involved in enforcing the award shall be fully assessed against and paid by the party resisting enforcement of said award.

For FINRA arbitrations, FINRA will appoint a single public arbitrator in customer cases decided by one arbitrator. In customer cases decided by three arbitrators, investors have the option of choosing an arbitration panel with two public arbitrators and one non-public arbitrator (Majority-Public Panel Rule) or a panel of all public arbitrators (Optional All-Public Panel Rule). If the customer declines to elect a panel selection method in writing by the applicable deadline, the Majority-Public Panel Rule for selecting arbitrators will apply.

All notices from one party to the other involving arbitration shall be considered to have been fully given when so served, mailed by firstclass, certified or registered mail, or otherwise given by other commercially accepted medium of written notification.

In addition to the above provisions, if a party to this Agreement is or becomes a non-U.S. resident at the time of any controversy subject to this arbitration agreement, such party acknowledges and agrees to the following additional provisions:

- (1) The rules of the organization administering the arbitration specifically provide for the formal designation of the place at which the arbitration is to be held.
- (2) Entering into this Agreement constitutes consent to submit to the personal jurisdiction of the courts of the state of California, U.S.A., to interpret or enforce any or all of these arbitration provisions. Judgment on any arbitration award may be entered in any court having jurisdiction, or application may be made to such court for judicial acceptance of the award and an order of enforcement, as the case may be.
- (3) The exclusive language to be used by the parties and the arbitrators in the arbitration proceedings shall be English. Any party wishing an interpreter shall make all arrangements directly with the interpreter and shall assume all costs of the service.
- (4) If a party is a foreign government or state, state-owned or state-operated enterprise or other instrumentality of a foreign government or state, such party waives all rights of sovereign immunity and neither the Federal Act of State doctrine nor the doctrine of sovereign immunity shall apply insofar as any enforcement in courts located in the U.S.A. is concerned.

Certification of Trust—Trust Accounts Only

Certification, Trust Indemnity and Agreement

In consideration of Charles Schwab & Co., Inc. ("Schwab") opening and/or maintaining Account(s) for the Trust named above (the "Trust"), the undersigned Trustee(s) of the Trust represent, warrant and certify the following:

- The representations made herein are true, complete and accurate.
- The undersigned Trustees are all of the Trustees of the Trust.
- The Trust is in full force and effect.
- The Trust Agreement (as defined above) has not been revoked, modified or amended in any manner that would cause the representations contained in this Certification to be inaccurate or incorrect.
- It is the responsibility of the Trustee(s) to consult with all other Trustees before giving Schwab any instructions regarding the Account(s). Any notice sent to one Trustee shall constitute notice to all Trustees.
- If there is more than one Trustee, Schwab is authorized to follow the instructions of any Trustee and to deliver funds, securities or any other assets in the Account(s) to any Trustee or on any Trustee's instructions on the presumption that the Trustee so acting is so authorized because either (1) the Trust Agreement expressly provides that each Trustee is authorized to act individually, independently and without the consent of the other Trustee(s) for all purposes related to the Account(s), or (2) if the Trust does not contain such an express provision, the Trustee so acting has obtained the requisite consent of the other Trustee(s) in accordance with the requirements of the Trust Agreement.
- Schwab is not responsible for determining the purpose or propriety of any instructions received from any Trustee or for the disposition of payments or deliveries among Trustees.
- Either the Trust Agreement or applicable law grants the Trustee(s) the power to (1) delegate to others (such as Advisor or Managers, as each are defined in the Trust's Account Application ["Application"]) the authority to give trading instructions (and, if applicable, other instructions) with respect to the Account(s), including, without limitation, the Investment Advisor and Manager authorizations that are described and/or indicated in the Application relating to the Trust's Account(s), and (2) pay advisory and related fees to Advisor and, if applicable, Managers, from the Account(s).
- The Trustee(s) have the power under the Trust Agreement to enter into transactions for the purchase and sale of securities

and other investments, including, without limitation, stocks (preferred or common), bonds, mutual funds and certificates of deposit.

- If the Margin Borrowing feature is not or has not been declined with respect to any of the Account(s), the Trust Agreement specifically authorizes the Trustee(s) to maintain a Margin and Short Account and through such Account to purchase securities on margin, to sell securities that the Trust does not own (i.e., short sales) and to borrow securities in connection therewith, to borrow money, to secure the performance of the Trust's obligations to the Account(s) and to grant authority to the brokerage firm, acting as principal or otherwise, to pledge, repledge, hypothecate or rehypothecate assets of the Trust.
- If options are traded with respect to any of the Account(s), the Trust Agreement specifically authorizes the Trustee(s) to trade in all types of options, including, without limitation, the purchase of puts and calls and the writing (sale) of covered and uncovered puts and calls.
- If the Trustee(s) pledge Trust assets (including securities owned by the Trust) to secure obligations owed to Schwab, the Trust Agreement expressly authorizes the Trustee(s) to enter into such pledges.
- If the Trustee(s) pledge assets of the Trust to secure obligations owing from the Trust to third parties, the Trust Agreement specifically authorizes the Trustee(s) to enter into such pledges.
- The Trust Agreement authorizes the Trustee(s) to grant a lien and right of setoff in favor of Schwab to secure the repayment of all present or future indebtedness.
- **The Trustee(s) agree to decline the Margin Borrowing feature if such authorizations for borrowing are not contained in the Trust.**

Note: Additional documents are required to add someone with Trading and Withdrawal Authorization. In order to trade options in a Trust Account through Schwab, the Trust must meet certain financial requirements, and the Trustee(s) must meet certain investment experience requirements and complete a separate Schwab Options Trading and Margin Application.

The Trustee(s) acknowledge and agree that all prior designations, consents and authorizations which may have previously been agreed to by any prior Trustee(s) acting on behalf of the Account(s) shall continue to apply both with respect to the Trust and to the Trustee(s). The Trustee(s) further acknowledge and agree that the Account will remain subject to any prior

agreements (including any addenda and/or amendments thereto) as may currently be applicable to the Account(s), including but not limited to the terms and conditions of any Account Agreement(s) and Disclosures relating to the Trust, as each may be amended from time to time. The Trustee(s) agree to assume by way of assignment from any prior Trustee(s) all trustee obligations and liabilities set forth in any of the applicable Trust Agreement(s), whether or not each Trustee personally executed such applications or agreement(s) on behalf of the Trust.

Schwab will rely on this Certification and upon the representations made herein unless and until it receives written notice of changed Trustee(s) or written notice of any events affecting the representations of the Trustees' powers made in this Certification. The undersigned Trustee(s) agree to send written notice promptly to Schwab of any change in Trustee(s), of any amendment or modification to the Trust Agreement that would cause the representations contained in this Certification to be or become inaccurate or incorrect, or of the occurrence of any event that would affect the Trust's revocability, the Trustees' powers or any representations made in this Certification.

The undersigned Trustee(s) hereby jointly and severally indemnify Schwab and each of its officers, directors, employees and agents from, and hold such persons harmless against, any claims, judgments, surcharges, settlement amounts or other liabilities or costs of defense or settlement (including attorneys' fees) arising out of, or related to, any actual or alleged improper or unsuitable actions taken at such Trustee's instructions in connection with the Account(s). This indemnification is made by the undersigned Trustee(s) both in their capacities as Trustee(s) and in their individual capacities, and shall not be limited by the Trustees' provision to Schwab of independent documentation concerning the representations made herein.

All names and terms that are not specifically defined in this form (including this Certification) have the same meanings as in the Application. In addition, all terms and conditions specified in the Application apply to this form. When completed, signed and accepted by Schwab, this form (including this Certification) will be part of the Application.

The representations and obligations stated herein shall survive termination of the Trust Agreement and the Account Agreement relating to the Account(s).
